

# CITIES & CITIZENS ENERGY FORUM

Energy Cities Annual Conference **Heerlen, The Netherlands** | 22-24 April 2020

If you are seeking to rethink the boundaries of your actions, or dreaming of a place to make your work visible and find new partners, the first Cities and Citizens Energy Forum is for you.

During 3 days, we will:

- **SHOW** the progresses, the potentials, the diversity of local energy initiatives
- **SHARE** solutions, failures, needs for new policies and legal frameworks
- **SHAKE** the business as usual agenda, the EU agenda, and our own way of thinking!
