Competitive advantage doesn't go to the nations that focus on creating companies, it goes to nations that focus on scaling companies.”

Sherry Coutu

“What I believe should be emphasised is not start-ups or entrepreneurs in and of themselves, but the innovation ecosystems within which they operate”

Mariana Mazzucato

10 golden rules

- Easy Language
- Make your presumptions more transparent
- Show added value of each result/output
- Show how you focus communications
- Explain the road to application
- Present the role of each partner
- **Describe what you want to change**
- Risk management
- Regional context
- Be concise
